### SAFTU Strike

Thousands of workers are expected to take to the streets on Wednesday the 25th of April for a one day strike as the South African Federation of Trade Unions (Saftu) plans to make the country “ungovernable”.

For the safety of our learners the school will be closed tomorrow. But learners must return to school on the 26th of April. The normal academic programme will commence then.

### Parents Consultation (Boarders Grade 8 – 11)

The school is inviting all parents of boarders’ (grade 8 – 11) to attend the parents’ consultation on, Sunday the 6<sup>th</sup> of May from 11:00 – 15:00. This will be an excellent opportunity for parents to raise academic concerns before commence of the May/June exams.

We hope to have a big attendance!

## Cell phone survey

The cell phone issue was one of the topics that provoked a lot of attention at school. At the end of last year the school changed its policy regarding cell phones by allowing learners to bring Smart phones to school. This decision was however met with a lot of criticism from parents. In a parents meeting held on the 8<sup>th</sup> of April a cell phone survey was held. Parents had the option of voting for or against the use of Smartphones at school. In the outcome of this survey 88% of the parents voted no for the use of Smart phones at school. This means that the school will go ahead and implement the original cell phone policy it had. No Smart phones will be allowed at school and if a learner is caught with a Smart phone the phone will be confiscated. Learners are only allowed to bring the “cheap” PEP-store phones to school.
