PRIVATE BOARDING AND DAY SCHOOL

Dear Parents/Guardians

Blue Hills College

Quality Assurance Self-Evaluation under the auspices of the Independent Quality Assurance Agency (IQAA)

We are conducting a mentored internal evaluation of the school and require input from all parents, students and staff.

The reason for the evaluation is two-fold:

- Firstly, it is our ambition is to be as good as we possibly can be. The survey will help us identify our strengths and areas of concern.
- Secondly, we belong to the *Independent Schools Association of Southern Africa* (ISASA). It is a condition of membership is that each school must undergo a quality assurance check at least once in every six years.

The evaluation will be run with the assistance of the IQAA and an appointed mentor:

Lesley MacIntyre

The school evaluation begins with a **survey** of the opinions of parents/guardians, teachers, all staff and learners from grade 8 onwards.
